

## OVERVIEW OF INCOMING SIGNALS

The following information is based on incoming communication with the National Human Trafficking Hotline from January 1, 2021 – December 31, 2021 about human trafficking cases and issues related to human trafficking in Tennessee. Communication can take the form of **phone calls, SMS, Webchat<sup>1</sup>, online tip reports<sup>2</sup>, or emails**. Communication regarding topics unrelated to human trafficking are not included in this report. In 2021, the National Human Trafficking Hotline received a total of **525** substantive<sup>3</sup> phone calls, SMS, Webchats, emails, or online tip reports from Tennessee.

<sup>1</sup> Webchats are a means of communicating with NHTH staff directly on the website using the online chat feature

<sup>2</sup> Online tip reports are a standardized form which can be completed on the website, allowing signalers to provide details without directly interacting with NHTH staff.

<sup>3</sup> Substantive signals excludes hang-ups, wrong numbers, missed signals and signals in which the Hotline could not determine the signaler's reason for contacting the Hotline

## SUBSTANTIVE SIGNAL DATA

The following statistics are based solely on substantive signals about human trafficking and issues related to human trafficking made to the National Human Trafficking Hotline between January 1, 2021 and December 31, 2021 from signalers in Tennessee at the time of their signal. Substantive signals exclude hang-ups, missed calls, wrong numbers, and signals in which the signaler's reason for contacting is unknown.

### Number of Substantive Signals Received from Tennessee: 525

<sup>4</sup>To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.

<sup>5</sup>Cases where trafficking type is not specified typically occur when a law enforcement agent or service provider contacts the Hotline for resources and referrals but does not disclose details about the trafficking situation due to confidentiality. This category also includes cases in which the person reporting the information references human trafficking but does not provide further detail regarding the presence of labor or commercial sex. These cases are often submitted to the Hotline through anonymous online tip reports.

<sup>6</sup>These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

<sup>7</sup>Other gender identities include any individuals whose gender identified was not cisgender male or female. This would include individuals who identify as transgender male, transgender female, two-spirit, agender, genderfluid, or other specified genders. At times, this information is self-reported. Other times NHTH staff may explicitly ask about gender identity for the purposes of connecting that person with appropriate service provider resources to meet their needs. Situations where the likely victims' gender was unstated or unclear due to conflicting information are recorded as Unknown.

<sup>8</sup>A Foreign National in this data set is defined as any individual who is not currently a US Citizen or Legal Permanent Resident.

<sup>9</sup>These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

<sup>10</sup>To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.
