NATIONAL HUMAN TRAFFICKING HOTLINE DATA REPORT

Colorado State Report: 1/1/2021 – 12/31/2021

Trafficking Type Not Specified ⁵	18	12%
TOTAL # OF POTENTIAL TRAFFICKING SITUATIONS	150	100%

⁴To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.

⁵Cases where trafficking type is not specified typically occur when a law enforcement agent or service provider contacts the Hotline for resources and referrals but does not disclose details about the trafficking situation due to confidentiality. This category also includes cases in which the person reporting the information references human trafficking but does not provide further detail regarding the presence of labor or commercial sex. These cases are often submitted to the Hotline through anonymous online tip reports.

VICTIM DEMOGRAPHICS ⁶	# OF SITUATIONS	% OF SITUATIONS
Adults	120	80%
Minors	24	16%
Females	119	79%
Males	19	13%
Another Gender Identity ⁷	Fewer than Three Times ¹	
US Citizens/Legal Permanent Residents	16	11%
Foreign Nationals ⁸	13	9%
NON-CUMULATIVE⁹		

⁶These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

⁷ Other gender identities include any individuals whose gender identified was not cisgender male or female. This would include individuals who identify as transgender male, transgender female, two-spirit, agender, genderfluid, or other specified genders. At times, this information is self-reported. Other times NHTH staff may explicitly ask about gender identity for the purposes of connecting that person with appropriate service provider resources to meet their needs. Situations where the likely victims' gender was unstated or unclear due to conflicting information are recorded as Unknown.

⁸A Foreign National in this data set is defined as any individual who is not currently a US Citizen or Legal Permanent Resident.

⁹These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

¹⁰To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.

Important Note: The data displayed in this report was generated based on information communicated to the National Human Trafficking Hotline via phone, email, and online tip report. The National Human Trafficking Hotline cannot verify the accuracy of the information reported. This is not a comprehensive report on the scale or scope of human trafficking within the state. Data is dynamic and subject to change as the hotline continues to respond to victims of trafficking. Therefore, the data reported is likely to have minor fluctuations based on when the data for the report was retrieved. The current report is based on data retrieved on November 15, 2022, 5:00 PM.
